

# Anton LaVey — Man of Satan

*"In flaming fire taking vengeance on them that know not God, and that obey not the gospel of our Lord Jesus Christ." —2nd Thessalonians 1:8*

The year 1966 was a banner year for the Prince of Darkness. Approaching the dog days of summer in that momentous year, Anton LaVey (real name: Howard Stanton LaVey), a decadent, ex-circus entertainer, also a Jew, formally founded the Church of Satan in San Francisco. The date: June 6, 1966, or 6-6-66.

The following information is from WIKIPEDIA.COM...

Anton Szandor LaVey (11 April 1930 – 29 October 1997) was the founder and High Priest of the [Church of Satan](#) as well as a writer, [occultist](#), musician, and actor. LaVey was born in Chicago, Illinois to a liquor distributor. His family soon relocated to California where he spent most of his life in the San Francisco Bay Area. He is the author of [The Satanic Bible](#) and the founder of [Satanism](#), a synthesized system of his understanding of human nature and the insights of philosophers who advocated [materialism](#) and [individualism](#), for which he claimed no "supernatural inspiration". LaVey viewed "Satan" not as a literal deity or entity, but as an historic and literary figure symbolic of Earthly

values. —[SOURCE](#)

Just as with most Satanists, Anton LaVey denied the literal existence of Satan. Ozzy Osbourne, known for his Satanism, has also often denied being a Satanist — [You judge for yourself](#). Interestingly, LaVey's widow wrote his authorized biography titled, "The Secret Life Of A Satanist," in which she divulges that LaVey admittedly prayed to Satan and believed in a supernatural being [Satan].

Surely [Marilyn Manson](#), an ordained high-priest of Anton LaVey's Church of Satan, will admit to worshipping Satan! Says Manson...

**Satanism is not about ritual sacrifices, digging up graves and worshipping the devil. The devil doesn't exist. Satanism is about worshipping yourself, because you are responsible for your own good and evil.**

Nevertheless, Manson calls himself a "Satanist," when he could call himself a "Selfist." Marilyn Manson, AKA Brian Warner, is easily one of the most evil music performers of the decade. Senator Joseph Lieberman said this of the man and his band: "... perhaps the sickest group ever promoted by a mainstream record company." [Read this](#) if you don't believe it!

[Wiccan witches](#) also deny the existence of a literal Satan. How is it that witches and Satanists are denying their god? Something smells rotten ... because it is! It's a big smokescreen that demon possessed people use to deceive others. Anton LaVey worshipped and lived for the Devil, a very real and literal Devil. Much of LaVey's writings were influenced by other renowned Satanists, such as [Aleister Crowley](#) ([more](#)). If ever there was a God-hating degenerate, it was Aleister Crowley ...

**33° Mason, Aleister Crowley would definitely get some votes in the "most wicked man who ever lived contest" and is the clear cut favorite for the title of "The Father of Modern Satanism". Crowley's wicked life and his intimate association with [Freemasonry](#) are both well known.**

**Crowley himself was terribly decadent. A happily heroin-addicted, bisexual Satan worshiper, he asked people to call him "The Beast 666." Crowley believed that he was literally the antimessiah of the apocalypse.**

During the first World War, Crowley transferred his activities to America. The press proclaimed him "the wickedest man in the world." He also spent time in Italy, but was expelled because Italian authorities accused his disciples of sacrificing human infants in occult rituals. According to one source, Crowley resided in the Abbey of Thelema near Cefalu Sicily, and revived ancient Dionysian ceremonies. During a 1921 ritual, he induced a he-goat to copulate with his mistress, then slit the animal's throat at the moment of orgasm. —[SOURCE](#)

Anton LaVey was an admirer of Aleister Crowley, and actually felt that Crowley's disciples weren't wicked enough:

**"A few years earlier LaVey had explored the writings of Aleister Crowley, and in 1951 he met some of the Berkeley Thelemites. He was unimpressed, as they were more spiritual and less "wicked" than he supposed they should be for disciples of Crowley's libertine creed." —[SOURCE](#) (The Church of Satan website, "Anton Szandor LaVey: A Biographical Sketch")**

**Aleister Crowley — Initiated to the highest levels of Freemasonry and high priest of the Golden Dawn, said ...**

**"A white male child of perfect innocence and intelligence makes the most suitable victim."**

Birds of a feather flock together, and Anton LaVey relied heavily upon Aleister Crowley's philosophies...

**"[The Satanic Bible](#) relied heavily on many writers of a philosophical nature, most notably [Ayn Rand](#), [Friedrich Nietzsche](#), and [Aleister Crowley](#)." -[SOURCE](#)**

Why would anyone glorify such an immoral, God-hating, bisexual, drug-addicted, Satan worshipping, degenerate individual as [Aleister Crowley](#)? Anton LaVey was of the Devil, just as was Crowley.

## Satanic Ritual Abuse

[Ritual abuse](#) is an extreme sadistic form of abuse of children and non-consenting adults. It is methodical, systematic sexual, physical, emotional and spiritual abuse, which often includes mind control, torture, and highly illegal and immoral activities such as murder, child pornography and prostitution. The abuse is justified by a religious or political ideology. [Many books are written by the Satanists](#) themselves concerning methods of ritual abuse, which is irrefutable evidence against these monsters.

Anton LaVey was a professed atheist. However, as mentioned earlier, LaVey's widow wrote his authorized biography titled, "The Secret Life Of A Satanist," in which she divulges that LaVey admittedly prayed to Satan and believed in a supernatural being. This goes totally contrary to everything that he ever taught in The Church of Satan. In his elaborate writings LaVey denied the reality of Satan as an actual being; yet, according to his widow in his biography he prayed to Satan. Clearly, Anton LaVey did believe that Satan was a literal being.

Most people who profess to be atheists are liars, because they do believe in God, they just choose to reject and deny Him. The Word of God teaches in Romans 1:21, "Because that, when they knew God, they glorified him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened." Everyone knows there is a God at some point in their childhood, but as they enter their teenager years, many youth choose not to know Him anymore. Usually it is because of external influences such as unbelieving parents, public schools, Rock music or other sinful factors. [The number 13 \(the age at which a child becomes a teenager\) represents rebellion, chaos and destruction](#), which is why [Heavy Metal Bands revere the number](#).

By the way, Anton LaVey was a cannibal. He ate human flesh. One of his fans brought him a biopsy of a human leg from UCLA's medical center and they cooked it up and ate it at one of his parties. Great guy huh? LaVey was infatuated with mass-murderers. He openly claims to have had sexual relations with the bimbo pill-popping pansy, Marilyn Monroe. Satanism (Luciferian worship) will be the unofficial religion of the New World Order. Investigative author, [Mark Dice](#), does a great job exposing Anton LaVey in the following video presentation...

## [Satanists Want to Hand out Satanic "Children's Books" in Schools to Promote Satanism to Kids](#)

To understand the New World Order you must see its manifestations in mind-control, Satanic ritual abuse, pornography, prostitution, and politics. Most telling is the [treatment of children](#), the [use of children for sex](#), prostitution, pornography, torture, sacrifice and murder. You must examine its base in the Protocols of the Learned Elders of Zion as the Zionists, the

Illuminati and their agents establish the Illuminist agenda in the New World Order. Please read, [Child Sexual Abuse Epidemic!](#)

[Child Sexual Abuse and the Shadow World of Freemasonry, Satanism, Illuminati, and Jesuits!](#)

## The Truth About Satanic Cults

One of the delusions that we will clear up at the outset of this expose is the lie that leading Satanists do not believe in or truly worship the devil. First of all it should be understood that Anton LaVey, the founder of the Church of Satan viewed Satan as a true entity that he truly worshipped before his death. Anton LaVey deceived a lot of people who joined the Church of Satan by claiming that Satan only represented the repressed forces of nature but was not a real entity.

In my interviews with former Charles Manson family member Susan Atkins, who is still in prison after being convicted of eight murders, Atkins blew the lid off of Anton's lie. As a former associate of Anton LaVey's, who danced for him and spent personal time with him before joining the Manson family, Atkins was privy to conversations with LaVey before he became popular.

Atkins told me repeatedly that while LaVey promotes a watered down, palatable form of Satanism to the ignorant masses which he is deceiving, he acknowledged the exact opposite to her and to his inner core of Satanist in the church of Satan. Susan Atkins told me that LaVey told her emphatically while she was in his home that they truly worshipped Satan as a real entity and as the one who began the initial rebellion against God. Atkins

also stated:

"Anton told me that as a Satanist he does believe in the God of the bible but he refused to worship him and made a conscious decision to worship Satan instead." (Personal interview with Susan Atkins) – [SOURCE](#)

## Anton LaVey's Bizarre Life

### Anton LaVey – Profile of a trauma-based mind-control programmer

When someone coined the phrase "dynamite comes in small packages" the phrase was an apt description of Anton LaVey. (Released photographs of LaVey prevent people from realizing how short his is.) In a personal letter which Anton LaVey wrote, "With my swastika, I'm strong. My Satanic amulets give me power. I'm not a misfit anymore, with pimples and a heart murmur and flat feet."

Anton LaVey is famous for having started the Church of Satan. He chose Walpurgisnacht, April 30, 1966 to start the Church of Satan in San Francisco. Previously he had began holding midnight magic seminars in 1960. He and his occult friends held Magic Circle meetings until he founded the Church. His Church of Satan is officially recognized by the U.S. government and the military.

He turned an old Victorian House, at 6114 California St., San Francisco into what has been called "the Black Castle". It was for years indeed black on the outside, and LaVey would drive a hearse. Anton LaVey kept a full grown 400 lb. Nubian lion named Togare from Ethiopia at his house (which was allowed both inside & outside) that scared the neighbours when it roared. He also has kept a black leopard.

LaVey loves to play his Hammond organ music in his black castle as if his house were a stereotypical horror house. Inside the house are rooms used for rituals, occult books including books on cannibalism, coffins, a maze of secret passageways, and LaVey's private saloon called the Den of Iniquity. He called his satanic covens "Grottos."

This author is aware that the Church of Satan got Grottos going in the following cities: Amsterdam (Magistralis Grotto, Neth.), Boston, Chicago, Dayton, Denver, Detroit, Edmonton (Can), Indianapolis,

Kansas City, Las Vegas, London (Eng.), Los Angeles, Louisville, New York, Paris (Fr.), Phoenix, Portland (OR), St. Petersburg, Seattle, Silverton (OR), and Vancouver (Can).

Undoubtedly, there are other groups, as well as a scattered following of individuals. The Church of Satan has had many Ph.D.'s. The church has had a high percentage of professionals such as: doctors, lawyers, teachers, former FBI agents, IBM executives. Cult underground film maker Kenneth Anger was a member of the Church of Satan. An ex-high priest of the Church of Satan told this author how he was recruited for the position of high priest. He was promised anything he wanted in life, any woman, any money etc.--and they made good on much of that promise. As high priest, he micromanaged everyone's lives in his grotto. His people came to him for permission and advice and orders for everything. It wasn't just mind-control, it was total control of their lives. But giving orders and micromanaging the lives of many people became a drag.

One of Cathy O'Brien's abusers was LaVey's High Priest Merle Kilgore, father of Steve Kilgore. LaVey (bn. April 11, 1930) comes from a Rumanian bloodline from Transylvania. As he grew up he love the story of Frankenstein. As a teenager he loved the occult. He dropped out of high school to be part of the Clyde Beatty circus.

LaVey likes to work from dusk to dawn. Like his ex-right hand man Michael Aquino, another mind-control programmer, both LaVey and Aquino are fascinated with the Nazis. (Michael Aquino's wife Lillith Sinclair was formerly the head of the Church of Satan's NY Lillith Grotto.) LaVey sports a Van Dyke beard, and a head shaved in the same fashion of executioners during the middle ages. Most of his followers never see him. Although LaVey has gotten wide press coverage, thanks to William Randolph Hearst's newspapers and his publishing companies like Avon, LaVey is a very secretive person and very rarely shows himself to even his high priests, or even talks to them.

His Church is a collection of self-sustaining dictators. He exaggerates the numbers of his church, apparently by claiming people who come in contact with his church. Before we discuss more about his organization and their rituals, let's touch on his role as a trauma-based mind-control programmer. Anton LaVey has openly advocated the creation of android humans. Even more startling is a music video shown on TV in which Anton LaVey personally gives a graphic description of how Anton LaVey intends to make the listener into his "mind-controlled sex slave". The audacity of this is mind-boggling. But then LaVey has tended to be more frank than other occult figures. The approach seems to be "I'll shock you so boldly, that you will not believe what I am saying, but will think its an act."

Taking inspiration from Orwell's 1984 LaVey wrote, "Up is down, pleasure is pain, darkness is light, slavery is freedom, madness is sanity..." This is actually the language that is used at times in the mind-control programming! Anton LaVey has been the mind-control handler/programmer of a number of Hollywood actors & actresses, including Jayne Mansfield and Marilyn Monroe, who both serviced him as sexual slaves. Jayne Mansfield, who was a High Priestess in the Church of Satan, shocked people when on a USO tour in Vietnam she asked for a satanic religious service. Sam Brody, one of Mansfield's handlers, had a bitter struggle over who would control Jayne, and one of LaVey's followers claimed to have tampered with Brody's car.

Anton LaVey has also been the programmer of his daughters such as Karla and Zeena and his son. An ex-member of a satanic cult in the Ozarks said, "If LaVey says jump, you jump." Some of his followers call him "Uncle Anton" as if they were programmed by him. LaVey's cover is that he is simply a showman, a buffoon. His cover has fooled many people, the truth is the man is not to be trusted and has a lot more evil power than people have realized.

LaVey has always had what some describe as a "warm relationship" with police. In fact, he was on the police force in the 1950's as a photographer. The police were reluctant to question LaVey about the death of Jayne Mansfield (4/19/33-6/28/67) who was one of LaVey's high priestesses and slaves in his Church of Satan. Her color was pink. Anton LaVey has been seen going onto military programming bases, and was at the NORAD area in Colorado for a while.

Dick Russell interviewed Anton LaVey with his approval. Russell wrote up the interview in "The Satanist Who Wants To Rule the World", (Argosy, June 1975, p. 41) that the Anton LaVey believes that he and an elite force of Satanists will rule the world. LaVey took an obscure occult tract from the 30's and some thoughts from HG. Well's book The Island of Dr. Moreau for a ritual. From this, he came up with a ritual which includes these stanzas:

"Man is God. We are men. We are gods. God is man."

When the reader is done reading this book, he will see how this ritual can fit in perfectly with trauma-based total mind-control. In fact, when people attend the Church of Satan's secret rituals, once people enter the ritual room two hooded guards prevent people from exiting prematurely through the closed doors. The rituals have been reported as being very disgusting. It well publicized that LaVey uses naked human altars for rituals, after photos were published of his satanic baptism of his 3 year old-daughter Zeena in May 1967. Does the Church of Satan involve summoning demons and worshipping Satan. Yes, most definitively. For instance, here are the some of the words of an important invocation used by his satanic rituals:

In nomine Dei nostri Satanas Luciferi excelsi! In the name of Satan, the Ruler of the earth, the King of the world, I command the forces of darkness to bestow their Infernal power upon me!...By all the Gods of the Pit, I command that these things of which I speak shall come to pass! Come forth and answer your names by manifesting my desires! Hail Satan!"

LaVey's book The Compleat Witch (NY Dodd, Mead, 1971) p. 266 advocates that one achieve self-understanding and "embrace and cherish the demon within him." In LaVey's book The Satanic Witch (LA: Feral House, 1969) he states that a witch to be successful must make a pact with the devil. His church loves to chant "Hail Satan". They like Crowley's law, Do What thou Wilt. LaVey & some of his members teach that at the core of each person is a demon waiting to be released.

LaVey loves Black Masses and desecrating anything sacred to Christians. LaVey urges people in his books and talks to bring out their "darkest" urging. He hints at human sacrifice in his Satanic Bible, by having a section on it, but is careful not to go too far out on a limb publicly. He always publicly denies that Satanists should do human sacrifices. One of the doctors of the San Francisco Church of Satan is said to have brought LaVey's church a severed human leg from the hospital he worked at, which was basted in Triple Sec and eaten by LaVey and his group. Most of the rituals are done in secret, there are no way to confirm rumours that they eat human flesh, but knowing the mentality of some of his church members, they would do it just to check it out as a new experience.

Illuminatus William Randolph Hearst gave Anton LaVey some big help. His Avon Publishing published his Satanic Bible in 1969 (it was first released in Dec. '69). Since then it has reportedly gone through over 30 printings. LaVey's next book The Satanic Rituals also was published by Hearst Avon in 1972. It talks about the power that blood sacrifices give the magician. Hearst's papers also gave him publicity.

LaVey is always thinking of ways of promoting his theology. Years ago, he had a topless witches Sabbath on San Francisco's North Beach. In 1990, the Church of Satan went into the Heavy Metal music business. The Church of Satan puts out a monthly magazine The Cloven Hoof which for most members is their main indirect communication from Magus LaVey. -[SOURCE](#)

## On June 6th, 1966 (6-6-66) — Anton LaVey Founded the Church of Satan!

Yes, '66 was a classic year for the old Devil. That was also the year that Beatle John Lennon assured the world that Christianity was on the way out:

***"Christianity will go. It will vanish and shrink... I'm right and I will be proved right. We're more popular than Jesus now."***

Lennon, McCartney, and the other Beatles promptly went over to India to worship Hindu gurus, and they introduced their gurus and other vestiges of Eastern mysticism to western culture. All done in a haze of marijuana, LSD, and cocaine.

The Illuminati-supervised CIA helped things along. The U.S. intelligence agency put Satanist Jerry Garcia and his *Grateful Dead* band (Al Gore's favorite rock group, says *Rolling Stone* magazine) on its payroll. The CIA, according to Gerald Heard and SRI International, distributed tons of LSD to a spaced-out youth generation. This was a mind control experiment of the Illuminati elite.

The 60s saw Hollywood's satanic sex classic, *Rosemary's Baby*, hit theaters, a movie for which Church of Satan High Priest Anton LaVey acted as a consultant. Actor John Cassavettes, who played Rosemary's Satan-worshipping husband in the movie, also played in a role in the movie, *The Dirty Dozen*.

By the end of the indulgent decade of the 60s, America had borne witness to blood murder, sexual kinkiness, and other Satanic mayhem on a truly epic scale, culminating in 1969's Manson Family murders. Satanist Charles Manson was inspired by Anton LaVey.

Others, too, were inspired by LaVey. Famous black actor/singer Sammy Davis, Jr., became both a religious Jew and a practicing Satanist, joining LaVey's macabre congregation of devil cultists. Blonde bombshell Jayne Mansfield also joined the cult, as did scores of other Hollywood and Las Vegas types. —[SOURCE](#) (Pastor Texe Marrs)

As far as Satan was concerned, '66 was a very good year. Anton LaVey, a Christ-hating Jew, shown here performing a ritual with disciple, actress Jayne Mansfield, founded the Church of Satan in '66. Meanwhile, John Kerry (Yale, Class of '66) was enjoying the benefits of residence at The Tomb, headquarters of the Order of Skull & Bones.

## Jack Parsons, [L. Ron Hubbard](#), Anton LaVey and the Nazi Connection

The following excerpt was taken from an article by [David McGowan](#), "[There's Something About Henry](#)", June 2000

"The Process Church, which set up shop in San Francisco, was itself an offshoot of the Church of Scientology, which was the brainchild of L. Ron Hubbard - an agent of the Office of Naval Intelligence and the son of a U.S. Navy Commander. Before being inspired to create his own church, Hubbard was a close associate and follower of Jack Parsons, rocket fuel scientist and avid follower of the occult, who helped found the prestigious Jet Propulsion Laboratory in Pasadena, California.

Parsons was at the time the head of the American chapter of the OTO (Ordo Templi Orientis), a title bestowed on him by mentor Aleister Crowley, a flamboyant occultist, British and American intelligence asset, and avid Nazi sympathizer and propagandist both before and during World War II.

Crowley had assumed the leadership of the OTO in 1922 when founder Theodor Reuss - a German occultist and intelligence asset - had stepped down. The OTO then - along with the various organizations spawned from it - is in a direct line of descent from the German occult-based secret societies that gave rise to the Third Reich, a fact made evident by the ideology and symbolism of the Process Church, whose logo is a modified swastika.

Back in the Bay area, Anton Szandor LaVey and Crowley-enthusiast Kenneth Anger would set about busily organizing the Church of Satan in San Francisco, where LaVey would become something of a celebrity - the clown prince of Satanism. From this church would spring forth both the Temple of Set - led by U.S. intelligence asset and psychological warfare specialist Lt. Col. Michael Aquino - and the Werewolf Order, founded by LaVey's daughter Zeena and Manson-admirer Nikolas Schreck

Both of these off-shoots embraced an unabashedly fascist ideology. The Werewolf Order was patterned directly after the Nazi-front Werewolf Corps created in post-war Germany to thwart any attempts at denazification. Zeena LaVey and Nikolas Schreck are also notable for holding a public gathering on August 8, 1988 to celebrate the anniversary of the slaughter of Sharon Tate by the Manson Family. "

## Anton LaVey, Aleister Crowley, and Demonic Rock-n-Roll

The common denominator between rock-n-roll, Aleister Crowley, and Anton LaVey, is demonic Satanism. These are God-haters who despise Christianity and all those who profess the name of Christ. As Christians, we must stand uncompromisingly against such evils and menaces to society. The *Church of Satan* is a disgrace to America, founded by Anton LaVey (a demonically possessed individual, who is now burning in the fires of Hell for rejecting Christ). His influence upon modern music is clearly evidenced.

The cover of Sgt. Pepper's showed the Beatles with a background of, according to Ringo Starr, people "we like and admire" (Hit Parade, Oct. 1976, p.14). Paul McCartney said of Sgt. Pepper's cover, ". . . we were going to have photos on the wall of all our HEROES . . ." (Musician, Special Collectors Edition, Beatles and Rolling Stones, 1988, p.12). **One of the Beatle's heroes included on the cover of Sgt. Pepper's was — the infamous Satanist, Aleister Crowley!** Most people, especially in 1967, did not even know who Crowley was — but the Beatles certainly did.

[Click here for larger picture](#)

### Sgt. Pepper

". . . we were going to have photos on the wall of all our HEROES . . ."

"Hero" Aleister Crowley is second from left on the top row:

The Beatles apparently took Crowley's teaching very serious — Beatle John Lennon, in an interview, says the "whole idea of the Beatles" was — Crowley's infamous "do what thou wilt":

"The whole Beatle idea was to do what you want, right? To take your own responsibility, do what you want and try not to harm other people, right? **DO WHAT THOU WILST**, as long as it doesn't hurt somebody. . ." ("The Playboy Interviews with John Lennon and Yoko Ono", by David Sheff and G. Barry Golson, p. 61)

One of the top songs of the 70's was "Hotel California" by the Eagles. Most people have no idea the song refers to the Church of Satan, which happens to be located in a converted HOTEL on CALIFORNIA street! **On the inside of the album cover, looking down on the festivities, is Anton LaVey (pictured to left), the founder of the Church of Satan and author of the Satanic Bible!**

People say, the Eagles aren't serious, they're just selling records. That's what you think! The Eagles manager, Larry Salter, admitted in the Waco Tribune-Herald, (Feb. 28, 1982) that the Eagles were involved with the Church of Satan! Not surprisingly, one of the Eagle's songs is titled "*Have A Good Day in Hell.*"

As you can see, Crowley and LaVey have both had a profound influence upon the rock-n-roll culture. It's just solid proof that rock-n-roll is of the Devil.

Kurt Donald Cobain (1967-1994), was the leader of the super popular rock band Nirvana. Cobain commit suicide on April 5th, 1994. Cobain was "**obsessed with Anton LaVey**" (Mojo Magazine, Sept. 1999, p. 86). Anton LaVey was the founder of the *Church of Satan* and the author of the *Satanic Bible*.

So obsessed was Cobain with Satanist Anton LaVey that he sought to enlist LaVey by having him play cello on Nirvana's Nevermind album! Cobain's involvement in witchcraft and Satanism is a fitting explanation as to the source of his inspiration and the uncanny ability he had for coming up with alluring and seductive hooks that so frantically enticed

Nirvana's fans. Cobain is described as "stumbling on melodies by means he himself didn't fully understand." (op. cit. Sanders, p. 70).

In the occult, this is referred to as automatic writing is a process wherein a demonic being channels poetry or lyrics through a human being in an effort to negatively effect society. This is surely what took place through Cobain, the willing and twisted medium for satanic forces. Even the legendary guitarist Chuck Berry would exclaim, "he had a touch most guitarists would kill for" (Ibid., p. 71). While "kill for" might be a stretch, sell one's soul for is far more fitting. - [READ MORE about Kurt Cobain](#)

## Occultists and Satanists are Still Abducting, Raping and Killing Children

What most people don't know, and the rest don't care to know because they're not right with God, is that child abuse is happening right in front of our very eyes across America! When people think of child abductions, rape and satanic sacrifice, they think of some Satan-worshipping monsters in a remote wooded area. Although this is true in some case, there are three often overlooked places where child abuse is happening right under our noses; namely, Hollywood, CPS and Mormonism.

[Case in point, the Mormon church](#) (which is no church at all). Entire cities remotely situated in western states are occupied and controlled by Mormons, including Mormon judges. They look the other way and condemn polygamous sex communes which frequently involve young girls. The mainstream newsmedia ignores the issue. Mormon women are taught that their husband has the power to decide whether or not they are resurrected in eternity. Mormons females are taught this false doctrine from early childhood. No wonder Mormon women will do anything for their husbands, even if it's immoral and in some cases criminal.

To understand Mormonism, you [must realize that young girls are indoctrinated by everyone in the Mormon community](#) to view their entire purpose for living as being a sex slave for their common husband (who may have a dozen wives). The sex cult uses theology to fabricate a bizarre system of eternal life which is 100% dependant upon your sexual performance as a female. Mormonism is the ultimate abuse, depravity and reduction of a woman's worth as a human being. Yet, suspiciously, you'll never hear radical left-wing liberal feminists expose or criticize the Mormon sex cult.
